2014 Hello Dere!

MARTY ALLEN "LIVE"

co-starring **KARON KATE BLACKWELL**

At only 92 years of age, legendary Las Vegas comedian Marty Allen has no intention of retiring. In addition to a full 12 month per year work schedule, Marty still runs two miles every afternoon for 30 minutes on a treadmill! "I feel like the Energizer Bunny -- I just keep going" Marty says. "Quite simply, I enjoy it. I can't stop. People ask me where I get all the energy from to keep going, and I joke that I'm on the pill. They believe me and want to know where to buy it for themselves!"
